Best Paper Award, Workshop on Efficient Machine Learning 2025

Publications

Sparse Mixture Routing for Efficient Transformers

Calibrated Uncertainty in Vision-Language Models

Ravi Iyer

AI Research Scientist at Lakeshore AI Lab

Boston, Massachusetts, United States

Summary

I work on efficient and reliable large models. My papers appeared at NeurIPS and ICLR, and I review for NeurIPS, ICML and ICLR.

Experience

Lakeshore AI Lab

AI Research Scientist

September 2023 - Present (3 years 2 months)

Boston, Massachusetts, United States

Lead author on mixture-of-experts routing; program committee member, NeurIPS 2025.

Lakeshore University

Graduate Research Assistant

September 2018 - August 2023 (5 years)

Toronto, Ontario, Canada

Education

Lakeshore University

Doctor of Philosophy - PhD, Computer Science · (2018 - 2023)

Indian Institute of Example Sciences

Bachelor of Technology - BTech, Electrical Engineering · (2014 - 2018)
